

Frederick County Maryland
1793 Tax Assessment
Unity & Burnt House Woods Hundred
(Land Owners)

Preface

Frederick County Maryland 1793 Tax Assessment (Unity & Burnt House Woods Hundreds). The assessment covers present day east central Frederick County & Southwestern Carroll County. The area ranges from Mt. Airy to Libertytown north to Union Bridge east to the southside of Westminster then back to Mt. Airy. It is hoped the information will be of assistance to genealogist, historians and archeologist. The 1793 Assessment is a follow on to the Frederick County Maryland 1782 Tax Assessment and continues on at this time with the Frederick County Maryland 1798 Assessment.

In closing be aware of the variation and errors in name spelling used by the tax assessor.

Note: Tract names with parentheses. David Rinehart owns parts of tracts Chance & Rounds. Both total 109 acres
