

Frederick County Maryland Historic Aerial Photos

Frederick County Maryland GIS site provides historic aerial photos for the time period 1952 to the present.

For those who have mapped their ancestors land you can view the area to locate where the home and farm buildings were located. The photos come in handy since many of the old homes and farm buildings are now gone.

[Property Explorer \(frederickcountymd.gov\)](http://frederickcountymd.gov)

Steps:

1. Follow link to the GIS site.
2. Click agree to terms.
3. Zoom to area of interest. Example: Beatty-Cramer House Rt. 26 Mount Pleasant
4. Click on Street/Aerial tab
5. New tab will come up labeled Historic
6. Click on Historic tab and date slide bar will appear
