Walter Funderburg Sr. 1715-1778 Catherine Stoll Funderburg 1725-1794	Fr. Co.	Walter Funderburg will executed May 29, 1778 naming therein his wife, Catherine, and his ten children. The will was probated Oct. 16, 1778 (Frederick Court House, G.M. No. 1, Folio 90). He therefore died during this interum at the approximate age of 63 (if not a few years older). He was buried on a hilltop on his own farm. Catherine, b. Dec. 4, 1725, is listed in the First U. S. Census 1790, Frederick County, Maryland and is the last extant record of her. Thus she survived her husband by at 12 years. She lived to the age of 65 or more, and was buried beside Walter in the family cemetery on the hilltop on their own farm. Third son of Immigrant Ancestor, Walther von der ,Burg.Walter Vonderburg-that appears to be his preferred way of spelling the name; and writing it, "in beautiful German script"-(also Funderburg) had reached, perhaps, his 19th birthday when his father died, in 1778, leaving him "head of household," with his mother and the four younger siblings; David, Noah, Rachel, Esther. This arrangement lasted for

In the meantime, Walter, having attained his majority, became rightful owner of the homeplace; but the mother, as provided in the father's will, was to continue possession of "my Dwelling house," it said, "while She remains my Widow." Having gone to Lancaster, Pennsylvania, seeking a bride, "Walter brought his wife home to the Father's house." Shortly afterwards, he sold or traded his interest in the Plantation to elder brother Daniel and then acquired the "Prospect 1776" estate (c. 1786) where he lived generously until his death; buried there in the family plot. By winding undulating road1 Prospect was about 12 or 15 miles west of the Plantation on the drafts of Israel Creek. While he was a small child, his parents moved (1760-62) from west of Catoctin Mountain, to the lands near Johnsville. His place of birth other than Frederick County, is not determined. His church affiliation was German Baptist Brethren (Dunkers). Source: Funderburk History And Heritage By Guy B. Funderburk, Ph. D. 1967. www.seekingmyroots.com/members/files/G002448.pdf</p> <p>Fr. <p>Amelia Woolf Flautt 1776-1818 Catherine Wolf 1781-1786 Margaret Wolf 1787-1791 Elizabeth Wolf 1792-1794</p>		<p>Garrett Woolf (1767-1859) in 1811 obtained the tract Harbaughs Chance 32 acres (Fr. Co. Deed WR 41-112). Harbaughs Chance lies in between Old Sabillasville Road on the Maryland State line. Fr. Co. Equity Case JWLC-2, 511-521 1861 ordered the sale of the land of Garrett Woolf (1767-1859) Harbaughs Chance 32 acres.</p> <p>In the book The Flautt Family in America- Mrs. Frank Stough Schwartz 1971. Information on Woolf Family burials is listed. The book eludes to the fact that John Woolf was buried on the Resurvey on Israels Lot where he made his home. The will of John Woolf states his home place was on tract Resurvey on Mt. Olivet Tied Dog & Sweedland. The statement he was buried on Resurvey on Israels Lot could be true as this was part his original land holdings. The distance between his home place and Resurvey on Israels Lot is about 1.5 miles.</p> <p>1926 Letter: Grover A. Wolf (of Sabillasville MD.) “I can show you where Garrett Wolf lived when he died and where he was buried. I can show you near about the spot he was buried about 5 miles southeast of Sabillasville in a field which was a garden. There are no marks or stones to mark the grave”. The information listed is suspect.</p> <p>Garrett Woolf (1767-1859) sold his fathers home place in 1838. Fr. Co. Equity Case JWLC-2, 511-521 1861 shows he was living on Harbaughs Chance when he died. The statement the spot was 5 miles southeast of Sabillasville is an error. This would place it on the edge of Thurmont MD.</p> <p>The burial location for John Woolf with his wife and children except Amelia Woolf Flautt (1776-1818) is unknown. No information was found in Find A Grave or Names In Stone. People will have to decide the accuracy of the information.</p>

On this ninth day of November 1847 Ephraim Johnson a resident of the County and State aforesaid aged about fifty six years provided that he is the son and only surviving child and heir of Richard Johnson who was a Soldier in the War of the Revolution late of said County. Stated that he frequently heard his father say that when he arrived at the age of 21 years he enlisted in the Army of the Revolution as a Private. He also deposes and says that his said father died on the 26th day of March 1841 at the age of 86 years 6 months and 10 days having survived his wife that he is his only heir.</p> <p>Wife of Richard Johnson (1755-1841)</p> <p>During research a clue has surfaced as to the identity of the wife of Richard Johnson. Maryland Marriage Licenses and Records Index for Anne Arundel Co. shows a marriage listing for Richard Johnson & Minah Mobberly 17 January 1781. If the marriage took place in 1781 this would put Minah Mobberly birth date around 1761. Their son Ephraim Johnson was born in 1788 the 1781 marriage date looks good. Sense no marriage</p>
